

## Chugach State Park

# YUDITNA CABIN

Sleeps 6 (maximum 8). It is equipped with wooden sleeping platforms, a wood heating stove, chairs or benches, and a table. A pit latrine is nearby. Water is supplied from the lake in the summer or snow in the winter. Please purify all water before using.

### Location:

Access to the lake is at Mile 26 on the Glenn Highway. The cabin is located 3 miles up the Lakeside Trail at the mouth of Yuditnu Creek on Eklutna Lake.

- The yellow line portrays the bike access to the cabin.
- The red line portrays the motor vehicle access route.

GPS: N 61 23.465', W 149 03.557'

### Special Notes:

\* 3 miles from the Eklutna Lake trailhead via the Lakeside Trail by foot, bicycle, or ATV (Sunday through Wednesday April 1 through November 30 only). Look for the turnoff to the cabin past the 2 mile post. The cabin can also be reached by boats that can be hand carried to the water. Winter access is by skis or snowshoe. The use of snow vehicles is permitted once the director has determined there is sufficient snow coverage to protect the underlying vegetation.

\*\* Pets must be under control at all times and you are responsible for cleaning up your pet's waste.

Pack out everything you pack in.
